## **Join the MAIENSCHIN MARCHERS in the fight against cancer!**

Despite the incredible advances made in the medical field each year, the scourge of cancer still haunts so many lives of our family and friends.

Well, this year you can help make a difference in the fight against cancer by joining Janna and I and all the MAIENSCHIN MARCHERS in the American Cancer Society's RELAY FOR LIFE event on Saturday, March 16th and March 17th at the Mira Mesa Community Park.

For twenty-four hours, the MAIENSCHIN MARCHERS will take turns walking around the track to raise money for the fight against cancer and increase cancer awareness in our community.

Both Janna and I are looking forward to this fun event to celebrate the lives of our family and friends who fought to muster the courage and strength to beat this terrible disease, and to remember those who we've lost.

So, please join us and become a MAIENSCHIN MARCHER!

The commitment is simple:

1. \$10 registration fee (checks made out to American Cancer Society)
2. You will be responsible for walking/running/dancing around the track for two 30 minute time slots.

It's that simple! Now we are encouraging everyone to camp out with us on the field, but it is not required. Once you have registered, you will receive a fundraising packet, but the amount of fundraising is up to you. Our primary focus is for our team to have fun for a great cause. Once the MAIENSCHIN MARCHER team is complete we will contact you about a team meeting to go over details before the event.

If you are unable to join our team, you can help by sending a contribution for the American Cancer Society before March 10, 2002. Please be sure to include any names of people you would like to honor and we will make sure a luminary gets lit as a tribute to them. Checks made out to the American Cancer Society can be mailed to:

## City of San Diego budget forum announced for Scripps Ranch

Please join me and city manager, Michael Uberuaga, for a budget forum designed to give District Five a sneak peak at the upcoming 2003 budget for the City of San Diego.

I would strongly encourage you to attend this important meeting so that you may tell city officials directly what the city's spending priorities should be. After all, it's your tax dollars!

This will be the only budget forum held in District Five this year, so don't miss this opportunity!

After a brief overview of the FY 2003, presented by Mr. Uberuaga, the forum will be turned over to the public, so that you may ask questions about the budget process or articulate your spending priorities.

**City of San Diego Budget Forum**  
**February 28, 2002**  
**7: 00 pm — 9:00 pm**  
**Scripps Ranch Community Library**  
**10301 Scripps Lake Dr.**

For more information, please contact my budget analyst, Scott Crider, at 619-235-5297. I look forward to seeing you there!

## A fitting tribute to a respected leader

In January, I had the pleasure of joining close to one hundred community leaders from the Rancho Bernardo area for a ceremony to honor the life, accomplishments and good will of the late Stuart Glassman, by re-dedicating the Rancho Bernardo recreation center in his honor.

The Rancho Bernardo Glassman Recreation Center, as it will now be known, is a fitting tribute to this charismatic and affectionate community leader who lost his battle with cancer in August of last year.

Stuart Glassman came to Rancho Bernardo in 1977. Whether it was on the Rancho Bernardo Community Council, the Citizens' Review Board, the RB Press Club, or the Park and Recreation Board, Stuart always brought with him a good sense of humor and easy going manner along with his ideas to make Rancho Bernardo an even better place to live.

His commitment to our community was unmatched and it is only fitting that a place that he loved and cared for so much be renamed in his memory. Stuart Glassman will always be missed, but now his legacy will live on forever.
